REPORT OF THE VISITE IN ANTSIRABE

- Association of the Women Deaf in Madagascar (Vondrona Vehivavy Marenina eto Madagasikara) V.V.M.M.
- Association of the Deaf in Antsirabe (Fikambanan'ny Marenina Sampana Vakinankaratra) FMSV

Thursday, May 21st 2009.

Meeting with the FMSV Committee, Deaf Women, Group of the Deaf Women in Madagascar.

About the conjugal problem:

Mr André (hearing) is the social worker in FMM/FMSV. He talked and claimed that his wife (deaf president of the Deaf women in Antsirabe) left him a month ago.

André resigned from his post (social wok).

Friday, May 22nd 2009 (morning)

VVMM We visited the centre of the nun with Mme Line (President of the Association of the Deaf women in Antsirabe).

10 Deaf (men and women) made hand work in that Centre in Ambohimena Antsirabe.

We were given a warm welcome and talked about everything. Lala and Lolona explained about the F.M.M. and the V.V.M.M. and they were happy to meet us.

The Centre is ready to build a special house for the Deaf in Antsirabe. It can work with FMM and VVMM. They think and it leads a good communication.

To work with FOFAMA is difficult.

Friday afternoon and Saturday morning

We called some deaf women who have conjugal problems. The VVMM gave advice, helped them.

The Deaf Women accepted the advice from the VVMM and promised to respect their conjugal home.

Now every home doesn't have problem.

Saturday afternoon May 23rd, 2009

Meeting of the FMSV :

- To establish the Statute of the Association in Antsirabe.
- Mme Raharimalala Marie Ernestine (to work in the Health Ministry) was presented and ready to help the Deaf women.

Last information:

André and Line his wife talked with me that their foyer has arranged since 24th Mai 2009 and they lived together. The members are very happy to know that good news.

They said that to educate Deaf is very difficult.

V.V.M.M. IS ALWAYS READY TO CONFRONT THAT.

N.B: André came back to work as a social worker in FMM Antsirabe. We thanked him.

06 June 2009.

Lalaniana Lucie R.

President of the V.V.M.M.

**REPORT OF THE VISIT IN ANTSIRABE (President of FMM)
July 16 to 19, 2009.**

July 16:

I visited the social worker (Mr André) the Deaf club in Antsirabe, and the Nurse Gabrielle. We explained about the FMM to the nurse and showed to her the DAM. She was very happy to meet with us and ready to help the deaf in Antsirabe. For example, to teach them the handwork for the handicapped. I said: it is better to send the deaf to school because now there are many deaf in Madagascar. They answered that they make effort to take care of the deaf and make better about the communication. The problem is how to teach for the deaf in catholic?

Nurse Gabrielle (left) who takes care of the deaf women in Antsirabe.

July 17:

We (President of FMM, André, Fara III and Do boy deaf) went to Betafo between 20 km Antsirabe and met with the Vice Mayor. He was very glad to see us. He is ready to take care of the Deaf in Betafo but after 45 days. I suggested him to make an advertisement on radio to call the Deaf in Betafo to come to the meeting.

On that day we visited a little boy hearing and physique who lives in the bush. Many Deaf heard our visit but they lived very far from us so we couldn't meet them.

Vice Mayor (red coat), Mr André (social worker on right), Miss Fara III, and Mr Do (Deaf lives in Betafo)

FMM President, Mr André social worker, Fara III, and Do (Deaf) went on foot during 4 hours to the brush for looking some deaf

July 18:

I received an invitation from FOFAMA. 14 young finished their training on teaching Deaf and on that day is the outing with 10 Deaf who finished their study. They were training during 2 years. The giver of money is the CBM. I asked to CBM and FOFAMA not to stop the training and the teaching for the deaf because in Madagascar they are many deaf.(170 000).

It makes everything easy for example the communication, the life. I encouraged the young to join in to the Association of the deaf when they will be in their region.

Miss Nety FOFAMA Headmaster calling the young who finished their study

The 14 youngs who finished their training on teaching for the Deaf in Madagascar.

July 19:

The FMM met with the Association of the deaf in Antsirabe . I explained about the Deaf Right, encouraged them train the Sing language for the hearing because next year there will be training for the interpreter in Antsirabe. During the International day of the deaf, try to ask to the government in Antsirabe about the Deaf Right. Don't stop to complain.

The association of the deaf in Antsirabe thought to visit the Deaf in Betafo. It asks to collect the Deaf in Betafo and to build that on September 20, 2009. During that day, a theatre, foot ball and other activities can be made... I agreed that idea.

FMM REPORT IN TOLIARY

Date: 4th-5th August 2009.

04th August 2009.

15h—18h: Visit to the Association of the Deaf in Toliara. There were many new Deaf members (40). But on that moment, some deaf were gone on holiday. Last moment, old and young deaf didn't know sign language. But now, these many persons know very well the sign language (on 5 months). The association of the deaf in Toliara taught Sign language to the Deaf.

Mr Solofo (Secretary of the Deaf club in Toliara) asked to FMM during his speech to take care of the Association in Toliara. There are many deaf in Toliara but there is no deaf school. The school of the handicap centre has no deaf teacher even if there are 3 deaf children learnt there. The Association of the deaf in Toliara teaches Sign Language in Toliara.

The school fees in Handicap Centre is the very expensive so the Deaf Parents can't send there children there.

The FMM president explained about the Deaf right, he encourages to collect the deaf in Toliara. To teach Sign language to the family's deaf, the hearing persons because next time a training for interpreter will be existed in Toliara. The purpose is to ameliorate the society. The association of the deaf in Toliara collaborates with every faith and government.

05th August 2009.

The President looks for a Hotel for the General Assembly on 2012. It is in Sanfily. He visits the Handicap centre. We met the Nurse Loïuse. She takes care of the person who has mental and physical deficiency. But not takes care of the deaf. The president said to the Handicap Centre to create a deaf school in Toliara because there are many deaf here. The responsible answered that she must ask to the responsible on September 2009.
