Report FMM

**FEDERASIONAN'NY MARENINA
ETO MADAGASIKARA**

The second promotion interpreters sign language

Deaf clubs training about Leadership

Deaf Day on Sept 2010

The first Sign Language Book.

FMM established a Community Based Rehabilitation for Deaf people on Sept 2010

“We are happy about well increase of Human Right for Deaf people sign language”

Dear sir or madam, members.

FMM saw from 2010, we are satisfied of the results of increase of sign language interpreters, and it is the first time for Malagasy sign language book, DVD on sign language about vocabularies, sponsor from Handicap International, hearing people, Disabled people, and family of Deaf. The number of those who know sign language increases, training leadership for Deaf people from regions, Community Based Rehabilitation for Deaf people are up in three regions Antananarivo, Antsirabe and Toliara, they are happy and it is also the first time on September 2010 that Malagasy State gives the official salary for sign language interpreters on National Television when news every midday it first time, Deaf people very glad and watch on it, new association of the Deaf in Ambatondrazaka, many other association from hearing , NGO's, Lutheran church, some Ministry different and Mayor in Antnanarivo invite FMM when workshop how development for Deaf people and Disabled people. They know more and more about the FMM. Increase of Malagasy Deaf people knowledge about CRPD Convention for the Right of the Disabled People .

Association of the Deaf in Norwegian NDF still cooperation with FMM new contract signed for this 2011 again in Hotel Louver at Antananarivo on Oct 2010. Mr Ivar Larsen Sveberg ask to Atlas Alliansen and Norad about cooperation with FMM again on 2012..

If not cooperation from NGO etc us, we cannot continue to development. We are happy for the increase of well Human Right for Deaf people and Sign Language. In Madagascar we use the sign language power better the future. And I thank you so much for your sponsoring. May God bless you!

President of the FMM

Raberanto Dimby Sombiniaina

NATIONAL TELEVISION ON SIGN LANGUAGE

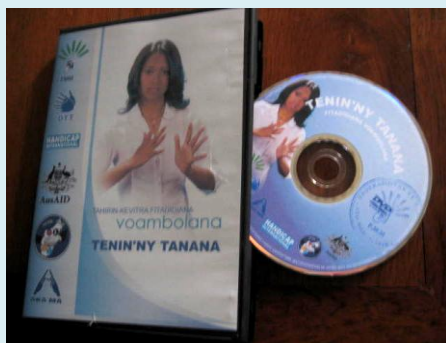

We hear Director of National Television says interpreter should cooperation in **National Television in Madagascar (TVM)**. President of FMM with interpreter Mr Fidy ask Director of National Television in Madagascar at Antananarivo about want the paper contract signed by Director of TVM. President of FMM ask about interpreter in TVM because Deaf people know info news the same all people, but they says best when evening because they can watch on TV in homes. They don't like watch on TVM when midday because they work, outdoor, etc but not now after. Director of TVM is okay all messages from President of FMM. He say should interpreter on TVM always.

Mr Fidy interpreter in National TVM about **HAITI EARTHQUAKE**

Mr Fidy interpreter news about **AFRICA NATIONAL CUP OF THE FOOTBALL IN ANGOLA 2010**.

13 February 2010

Ms Ministry of tourism and arts, Mr Vice Ministry of the water, General Secretary of technique Education ... give certificates to the 15 interpreters on sign language today. During his speech the President of FMM asked about salary for interpreters, because Deaf people haven't the money for them, the government should fund salary for Malagasy sign language interpreters, Malagasy sign language should be in constitution on new 4th Republic in Madagascar. In Africa sign language is already on constitutions as: South Africa, Uganda, Kenya, some Europeans, South America..the Ministry of Tourism and Arts, etc is surprised to hear it. She is ready to ask to government, More 1000 people came because 160 students received certificate about, Law, Tourist, Right and Sign language

20 February 2010

FMM, Handicap International and Plate Form gave certificate about training sign language and some DVD about sign language vocabularies for 12 hearing people (3 blind's, 1 state (Ministry of Population), 1 Handicap International, 7 civil. President of FMM suggested training sign language must be given also to hearing people in regions. Now Madagascar has more 500 hearing people knew sign language (family, teacher in Deaf school, friends, etc), 31 interpreters, 3000 Deaf people.. But now 1 blind hearing know good sign language ([see a man blind hearing sign language says hello in a pictures](#)). [Where deaf blind?](#) If find a Deaf blind, we are ready to teach sign language. Media: TVM, newspaper meeting..

23 February 2010

President of FMM begin to teach Deaf adults techniques in Deaf school AKAMA about [Deaf Cultural, history of the Deaf, WFD, member in FMM](#), etc. Every Tuesday 10h – 12h in week.

07 March 2010

The President of FMM with an interpreter ask to the Director of National TV about what about the right salary for interpreter in National TV since November 2009 until now. The deaf people is worried because interpreters worked but they didn't get their salary. Director National TV said: Don't be afraid because Ministry of communication remember it, she must give salary for interpreter in National TV soon!

16 March 2010

Ministry of Population with CDNPH (Committee Decade National of Handicapped Person) prepare Disabled people began in 2003-2013. Ministry of Population give 5 000 000 Ariary for each Federation. But CDNPH said: 5 000 000 Fmg for it, Ministry of Population said 5 000 000 Ariary, it is right! FMM has a project to sale DVD in sign language for population when the money from the Ministry of Population will be received.

30 March 2010

Mr Rakotoalijaona T. Haja got his diploma about interpreter from FMM on February 2010, and he is selected to work social with the Deaf people in Antananarivo began this April 2010 according to the agreement. UNESCO called hearing school in Antananarivo and FMM meeting every Wednesday, FMM lobbying about education for Deaf children in Madagascar. FMM still lobbying, we need interpreter when there is a meeting and UNESCO give salary for this interpreter, they accept but, the committee in UNESCO must meeting Antananarivo. UNESCO and state like visit and look at the problem of the hearing school with film, I suggest them to visit the Deaf school in Akama,.. They okay. UNESCO says that they do not have much money to fund for the Education in Madagascar.

07 April 2010

CDNPH asked to the Federations of disabled people project and budget this year.

FMM some goal:

- I. Sign language translation during the official examination
- II. Own examination room for candidates who are deaf, collaboration between the State and teachers of the Deaf for correction of official examination papers of candidates who are deaf.
- III. Cooperate with FMM on the education of deaf adults scattered in all regions
- IV. Support for interpreters at meetings, trainings and seminars organized by the State.
- V. Recruitment of interpreters in the national TV
- VI. Allocation of land to build or rehabilitate the building by the State to establish the office of the FMM
- VII. Create within the two Ministries (Population and Education) office dealing with PH

13 April 2010

Plate From and Handicap International invite State, NGO, and other clubs in Hotel Carlton for a conference about statistics on Works, social, etc for disabled people in 7 regions here Madagascar.

10% life of Disabled people in Madagascar. Disabled people 2 millions in Madagascar. Big problem of Mental health because of the expensive price of medicine,. They want that human right of the Disabled people in Madagascar must be mentioned in convention international.

19 – 21 April 2010

Provert Project of Lutheran Esperance Education about people and Deaf people invite FMM etc was organized by meeting workshop in Hotel Therme in Antsirabe. 40 people (Embassy of Norwegian, represent NORAD, NMS, represent Kenya work in Deaf people, UNICEF, UNESCO, represent Ministry of Education, etc were present. FMM lobbying Deaf school pupils members in Deaf clubs, Deaf adults teacher sign language for parents of Deaf children, Deaf children communication Deaf adults etc. If Deaf schools, Deaf pupils members in FMM, Government became know of FMM or Deaf people, we are strong human right and sign language.

President of FMM with Mr Jules (Director of Deaf school in Antananarivo) asked of NMS, NORAD should Lutheran Deaf schools to communicate with FMM. And NMS, NORAD should communicate of NDF about it.

President of the FMM, some teacher for sign language for Non Government Organization, etc when with mean. They are happy.

In Madagascar has 4 Blind schools and 400 Blind people in schools, 7 Deaf schools and 1400 Deaf people in schools, they are Lutheran schools. Other 2 Deaf schools.

At 5am – 7 am, President of FMM visit in Mr André responsibility of social the Deaf people in Antsirabe, lot talk it. Mr André said, Government and NGO know about Deaf club in Antsirabe, several invite it, FOFAMA (Deaf school in Antsirabe) is surprised.

05 May 2010

Church Jesus Christ in Madagascar (FJKM in Ilanivato Antananarivo) Misters Eric and Mr Nary meeting in office FMM (President of FMM, Vice President Lolona, Cash of FMM Lala, Leader interpreter Rivo, Leader Education Jules and secretary Fanja.

Pastor Haingo had a simple convention with FMM before. But FJKM Ilanivato wants to continue it by training sign language. FJKM Ilanivato is ready to help materials and money for the young who trained.

FJKM Ilanivato saw that many people in Antananarivo don't know sign language.

So, it decided to:

- **Create a center for training sign language for the persons interested**
- **Create a leisure center for the Deaf young.**

**The FMM responsibility is:
To supervisor the action**

Jules accepted but a draft agreement must be done before the action.

07 May 2010

FMM (President of FMM) visited a old house for office in FMM of Ampandrianomby, but 3 meter² in room! Ministry of Population sponsor rent for office FMM, Federation Blind, etc. But FMM want 5 rooms because many things! Ampandrianomby is far between less than 10 km from Antananarivo.

On 17 May 2010

PRESIDENT OF FMM WITH MR HAJA INTERPRETER

Ambatondrazaka

President of FMM and Mr Haja sign language interpreter were put up by family of 12 years old Deaf girl (named Larissa) but she is still pupil in Deaf school in Toamasina East. Mother's Larissa (named Ms Lanto) knows Malagasy sign language. Mr Lanto guided us round Ambatondrazaka . We visit hearing school, a EPP(primary public school), but 7 Deaf people weren't there because the teacher went to Vatomandry cause meet with CISCO. We meet Director of EPP, she says 7 Deaf people come every day in hearing school, but how do they communicate sign language, written and read? FMM called 3 different radio in Ambatondrazaka about meeting with Deaf people, family's, etc in EPP Hearing school at Anosindrafo in Ambatondrazaka on 13 November 2010, but 2 Deaf adults knowing sign official language with family, a Deaf boy who don't know sign language, the Director of DREN, a Director of an EPP, a Priest hearing, friends came . President of FMM conference with power point about international Deaf history , FMM, human right of Deaf people, encourage members and gave Malagasy Sign Language Book, status of FMM, materials. They were glad and warm discoursed. Director DREN said ready up Deaf club with status in Ambatondrazaka as soon as possible, and collection Deaf people in schools in region Alaotro Mangoro! FMM visit catholic hospital, there was a 12 years old Deaf boy, he is mental health but do not know sign language but he is intelligent, catholic sister takes care of him. FMM said to this sister she should learn sign language.

Town in Ambatondrazaka

Director Dren Mr Henry

THE STATE TRAINING COMMUNICATE SIGN LANGUAGE FROM IN REGIONS

Regions of Vakinankaratra have to take care of the Disabled people in 6 sections in Madagasikara. But 16 regions do not still have it! About 10 % of the Disabled people in Madagascar know his right now! The Ministry of Population is ready to cooperate with the Plate Form

COMMUNITY BASED REHABILITATION FROM TOLIARA CELEBRATION CHRISTMAS INVITE PRESIDENT FMM ON 21 DECEMBER 2010

CBR DEAF CHILDREN, YOUNG AND ADULTS KNOW SIGN LANGUAGE ABOUT
 SONG CHRISTMAS

PRESIDENT OF FMM WITH SOME DEAF PEOPLE FROM TOLIARA VISIT AND SHARING MALAGASY SIGN LANGUAGE BOOK FOR MAYOR IN TOLIARA, CISCO (District Scholar), DREN (Direction Regional of Education National), HANDICAP INTERNATIONAL MINISTRY POPULATION AND VISIT DEAF CLUB IN TOLIARA,

ON 22 DECEMBER 2010.

Mayor Toliara received sign language big book, he has Deaf daughter and she does not know sign language. He was very happy to see FMM, he is ready to sent his daughter to CBR in Toliara. He said FMM is good lobbying about Human Right the Deaf people. Thank you so much FMM!

Mr Godar Raymond Leader CISCO Toliara I (yellow clothing), he is surprised to see FMM because he saw right sign language for Malagasy Deaf on National TV every day. He likes to prepare Education for Deaf children in CISCO I at Toliara

Represente of Ministry Population Toliara , she thinks not invite but when she saw Deaf people use sign language , she ready to invite it, and FMM gave sign language book for him , she likes to communicate with Deaf people in Toliara. Deaf people in Toliara are sad and said, President FMM has to stay in Toliara and leader Deaf club at Toliara

REPRESENT FMM VISIT THE REGION AMBILOBE, MAHAJANGA AND AMBATONDRAZAKA BEFORE CHRISTMAS AND AT THE END OF YEAR

**MR DAROSY FMM
CONTROLLER VISIT THE
DEAF CLUB IN AMBILOBE
AND DIEGO ON 21 – 24
DEC 2010**

In Ambilobe, Mr Darosy with Mr Théophile sign language interpreter and some Deaf people visit and share sign language book for Mayor of Ambilobe, CISCO, Population, Hospital and office Police. They are very happy to receive the FMM. Most Hospital very wants learning about sign language. Population is ok to give freely the house to Deaf club for meeting. Deaf people 10 members and hearing people like in members and them learning sign language. But they still prepare status about Deaf club in Ambilobe.

In Diego, Mr Darosy meets and share sign language book for DREN, CISCO, Region and Hospital, they were very happy! Mayor of Diego said, if there is problem, he is ready to help. In Diego it finished to prepare the street for Physical Handicapped, said Mayor! He likes to learn little by little sign language. Director of Hospital was absent because he is on holidays, represented secretary, she was happy and likes sign language because she has a son who is disabled. She is ready to learn sign language.

**Ms Lolona vice
president of FMM with
Ms Noro interpreter
sign language were in
Mahajanga on 22 – 24
December 2010**

Deaf women club in Mahajanga meet with vice President FMM. Deaf club in Mahajanga meet several time but the problem is about the status because the state has not time to read a lot pages not more than four pages they said. Deaf women trained about food with when interpreter sign language from witness of Jehovah. Church sponsored the money for Deaf club when they sing. Many people hear to know sign language ..

**MS LALA FMM CASH WITH
MS NORO INTERPRETER
SIGN LANGUAGE VISIT
AMBATONDRAZAKA ON
27 -29 DECEMBER 2010**

Director of Population meet us, he was very glad to see the Deaf and interpreter sign language. He asked about FMM projects for Deaf people in Ambatondrazaka? Lala answers: not that you have to prepare projects for it and communication to Deaf people, FMM helps and teaches sign language but you give fees etc. Director replied that now the political is the problem, we haven't money because they didn't receive salaries at Ambatondrazaka, this a big problem for us. They didn't do Christmas because haven't enough money! They search sponsor for the project and budget. And they want learn sign language and communicate with the Deaf people. Many Deaf people do not know sign language.

CISCO: Our Meeting is satisfaisante. Directory CISCO said, we have five Deaf pupils at school in Private Public School but we have difficult to teach for them and mixture about Blind, Physical Handicapped and Deaf people. We need how to train, to teach for Disabled people and follow project it from state, said states teach. Parents of the Deaf children do not prepare and they cannot send to Deaf school their children because very far from his house. FMM should give materials for Ambatondrazaka the same that the Ministry of Population Ms Nadine Ramaroson, Ambatondrazaka said.

In hospital, Leader hospital sister in law the son's of Deaf still pupil in Deaf school in Toamasina. He said that he needs learning sign language.

Mayor wasn't at the office because suffering, represent vice! He didn't okay to receive the sign language book because it should be to the Population, he said. Lala answer, you need sign language to communicate when Deaf people wedding at state. He was surprised and wants much to sign language book. Very good and it expensive! Thanks to FMM.

Lala meet with three Deaf people, they know official sign language but Deaf a man only member because two Deaf were still pupils the Deaf school in Toamasina and Antsirabe, mother of Deaf said. But many Deaf people do not know sign language but need to active the Deaf club, she said. She were sad because of the difficulty of sign language communication many the Deaf do not know sign language.

Lala with the Deaf people where very happy during the cocktails

Another news

FMM share sign language book to UNICEF, Ministry of Health, Ministry of Growing, Parliamentary from Antsirabe, Deaf club in Antsirabe

On 15 December 2010:

In Akama Deaf school in Antananarivo, invite FMM because pupils are finished about different technical (compute, food, sewing etc) its duration is for two years. President of FMM taught for Deaf young in AKama about environment, history of the Deaf, Human Right the Deaf people, during one year. They stay in regions and will be the leader Deaf club on the future..

Toliara

Ms Vazo still collects new 20 Deaf people for CBR.
